It was released in the UK on S2 Records on 19 February 2001, in Europe on the label Edel on 6 August and in the US on Epitaph Records on 15 September. The UK version contains five tracks from the band's second album Hold Me Tight and was released to promote the album with a tour across the UK. The US version of the album contains ten tracks and was released to promote the band's debut album Word Gets Around and the lead single "Unplugged". Track listing UK version US version References Category:2001 albums Category:Stereophonics albums Category:Epitaph Records albumsQ: Converting Tagging to Multiclass Classification The multi label problem where all labels are used has been well studied. So our aim to determine how to model a binary class problem where multiple labels are available. There are two options for doing this: Convert the binary class problem into a multiclass class problem, by splitting into classes and discarding 3da54e8ca3
