Add Stock Securities, Asset Security Risk Assessment. Â§ 4. Purchase and sale of securities in cash settlements on statements Not all banks decide to accept purchased securities as payment, especially if they are presented in the office not in the form of terminals, but floppy disks and cassettes. You need to seek help from a loan broker, he will help you deal with the features of payment and paperwork. At the same time, one should not forget about the rules of conduct when transferring securities: these transactions are subject to mandatory execution by an act of acceptance and delivery. N. Lavrenova, methodologist-accountant of the bank, . Bank branches cooperate with brokerage firms that provide customers with the opportunity to sell securities on the market. The main task is to exclude the use of insider information by bank managers and to avoid leakage of information during commission transactions. As a rule, brokers take care of translating all the documentation required for transactions. The transfer of information about the purchase and sale of securities by traders to the bank significantly reduces the risk of being accused of violating anti-money laundering legislation. There are also formal requirements for brokers that must be observed in order for transactions with securities to be safe. For example, before concluding a transaction, the person providing brokerage services is obliged to check whether the broker himself is an insider holder in order to avoid various investigations by the bank. Is it possible to buy and sell securities when paying in cash on receipts? Issues related to security are usually solved by credit organizations: banks and non-bank credit institutions. They have their own customer base verification system, as well as a system for issuing funds. From the first days of its existence, deposit banks have moved from a one-time issuance of funds to the provision of services for the placement of temporarily free funds of individuals and legal entities. Such a change in banking support for transactions with valuable assets was due to the need to protect correspondent accounts and documentary assets.

In accordance with Art. 9 of Federal Law No. 224-FZ, cash settlements through payment machines can only be made if there is a permit specially issued for this purpose. Permission is also required when making payments by check, magnetic disc
