Chutes & Ladders is a classic puzzle game where the goal is to roll a piece of wood into a square. The key is to roll it from top to bottom. In the game you roll three pieces

of wood and the winner is the one who rolls the two longest pieces into the square. The more you get, the more difficult the game becomes.

*****This is the ad-free version of Chutes and Ladders.***** This is the ad-free version of Chutes and Ladders. It is for a limited time only! You will have the ability to replace the default

Windows icons with some of these ones, thus adding a touch of personality to your computer. Chutes & Ladders is a classic puzzle game where the goal is to roll a piece of wood into a square. The key is to roll it from top to bottom. How to play: - First you have to click the Turn On button in the tray. - After this you have to click on the little piece of wood and move it

to the square. - The game starts when you click on the timer icon. HOW TO APPLY THIS PROJECT:

----- To apply this project, simply follow these instructions: - Open Notepad - Paste all the icons from the downloaded zip file - Apply or save them by clicking on them - Save a new doc How to apply the icons: - Right-click on the icons

and select "Paste" How to use the icons:

----- You can use them as a desktop background for example:
1- Open the folder "My Documents\Desktop Backgrounds" 2- Choose one of these icons and drag and drop it on the desktop 3- Enjoy! Chutes & Ladders v2 is
