I think we have a real problem on our hands, said Mike D'Antoni, who coached the former two-time NBA champion during his spectacular 17-year run in the league. D'Antoni was in San Antonio during the news, which he tweeted out in the first half of an early-morning basketball analysis on Twitter. Bryant's decline has continued the past three seasons. The Lakers have dealt with back and knee injuries, a difficult defense and inconsistent offense. [...] Ce que nous avons réalisé au grand jour est à la fois productif et destructif. Ce n'est aucunement un produit qui existe là. Il n'y a pas de modèle. J'ai engendré des saints, mais cela n'est pas une transformation de la nature humaine." Une voix sincère exprime une vérité qu'il faut tenter de racheter, sinon de récupérer, ne fût-ce que pour son seul compte. Pour l'autre : "L'une de mes réflexions, parce que j'ai rencontré tous les deniers (sic) d'un côté au sortir du jeûne, l'autre vers le milieu du jeûne. C'est ma philosophie."
