3Hands-On With NBA 2K17's Game Ready UpdatesShashank Sudarshan2017-09-27T01:09:37Z2.0 NBA 2K17 Patch Released With Fixes And New Features 27 Sep 2017 06:01:54 +0000 a great performance last year, the official game of the NBA, NBA 2K17, has received a patch of new updates that includes several changes and fixes to the title and its modes. Among the most talked about changes featured last year - the team-based Legends mode received a complete overhaul, while "Survive The Game" mode lets players develop their teams and compete against another team in a standard season mode—in a free-roaming environment, if you will. In addition to these changes, NBA 2K17 received some visual settings updates. Changes to in-game graphics include an improved system for the player's menu that lets you quickly change all your available in-game visual options and display the settings you choose—and the game will use the setting until you return to the game, rather than having to reload the game every time. When asked the obvious question as to why a whole new patch is being released, the representatives explained that the various tweaks and fixes the team received from the community and feedback has warranted the massive update.
