Heiko Schütz, Vice President Investment Management, Business Development, and Chief Compliance Officer, has been appointed Non-Executive Director of the

listed company within
Deutschboden
Wasserwerke, the water and
wastewater treatment and
disposal company, effective
on 2 April 2018. The
resolution of the Supervisory
Board relating to the
appointment of Heiko
Schütz was passed on 19
March 2018 by a majority of
4 votes for and 1 against.
Dr. Schütz is a qualified
lawyer with experience in
legal and tax matters. He is
also experienced in the field
of competition and freedom
of competition law. “I am
delighted and honoured to
join the Board of Directors of
Deutschboden
Wasserwerke. On behalf of

the Board of Directors, I would like to express our thanks to Dr. Schütz for his willingness to join our Board. Dr. Schütz brings a wealth of legal, financial and business experience to our company and, in my opinion, is ideally suited to contribute to the successful development of

Deutschboden

Wasserwerke. I am confident that we will make excellent use of his valuable knowledge and skills,” said Bernhard Genauer, CEO of Deutschboden Wasserwerke AG. First, let me introduce myself. My name is Hugh Costa, and I am your new music theory and language arts teacher. I have been

teaching in a public school for the past 14 years. I have studied music theory, SAT prep, reading and language arts for many years. I have a degree in Music and a Masters in Teaching. My teaching philosophy is to help students learn music theory, reading and language arts from the ground up. This means that I teach students the theory of sight reading, reading songs as a tool for understanding language and sight reading, using musical instruments for learning both music and language arts. In fact, I have taught non-music students the cello, bass and piano (though I love music theory,

my goal is not to make them musicians). I have never been concerned with “testing” my students to be “good.” Teaching is a journey of discovery. It is a privilege to help students discover how to
