FIFA Ultimate Team brings back one of the most popular features of the FIFA series – Ultimate Team, which allows players to build a team of real-world footballers, called ‘FUTI’s’. Players can be acquired directly from any of the 72 teams in the game, and can also be discovered by completing challenges, fulfilling specific in-game objectives, or simply by being found in FIFA Ultimate League. Any player can be added to your team, including complete unknowns and superstars not previously available in FUT. Multiple players can share a kit, and the amount of appearances and goals can be further refined to suit your needs. World Cup 96 / World Cup 98 Friendly and Cup competitions Club Club Management With Club Management Mode, experience the management side of the game in a whole new way. Create your very own soccer team from scratch and compete in the Brazilian National Championship, the most prestigious club competition in the world. Or, if you’re feeling a bit more adventuresome, dive head first into management and build your dream team from scratch. Not only will you be able to create your very own club, but you’ll also be able to manage it as well, overseeing everything from transfers to scouting, training, and even the match day experience. MyClub FIFA Ultimate Team The ultimate EA Sports Football experience is now available as the MyClub feature. Create your very own club and play as a player or manager in your very own club. Create your own kit, change the team name, stadium, colors, stadium, choose your squad, and then go to the pitch and play against the teams in your own club. Ultimate Team FIFA Ultimate Team features the return of the popular Ultimate Team (FUT) system, a co-operative mode where players and club staff collaborate to build dream teams of current stars and future legends. Players create their FUTI’s (Player Ultimate Team) by accumulating footballing possessions called ‘Possessions’. They can then play in two-a-side matches with live online opponents, or compete in FIFA Ultimate League. Possessions can be earned in a variety of different ways, from completing challenges and tasks in-game, to winning in-game competitions. FUTI’s allow players to unlock and acquire new players, and also offer the chance to gain unique soccer specific items like new boots, training kits, and
