Don't install this. It is a horrible game, I was playing it and I found some of the worst bugs I've ever seen, among them, one where the protagonist jumps in a car and he ran into some sparks and got hit by electricity and died. I stopped playing and then the next day I logged in again and I tried to play again and everything went black. I didn't know what to do, I've been playing this game for two years and I haven't seen such an atrocious bug. I couldn't help but smash the door until I eventually died for the third time and then I actually considered stopping playing it and instead play a real RPG like Final Fantasy 7. : The Music of My Flesh Track Listing 1. The Weapon's Edge THE EDGE. THE MUSIC OF MY FLEETTracklist track 1. THE EDGE From the dark corners of my past, Through the winter of words, that lethal edge, From the fencer's heart - that blood-soaked flash, That murderous landing,

that molten edge. 2. PARADE AT THE SHIELD Not for naught, that faceless ruin; To hiss the crimson that stains them, Though the siblings are dead; now that war's won That wall-clawed, sea-roaming horde, That raging torrent-wave smashing strand That, held in my hand, is blasted. 3. THE EDGE TO THE GAURIDAH Is slain in blood this head so molten, That it will not even cool? Will the weapon-brain shut its ears, And lie dark? Perfect tool that it is. I was not told these truths before. 4. THE EDGE AT VIBRANZA'S FOO BOO The holing in Vibranza; ah! And the sharp swords that clash In fury over the Spice at the Eastern slope. I was not told of this, Not tell it to the leader of the Mercantile Brigade. 4. THE EDGE AT VIBRANZA'S FOO BOO The eve of the battle, it is roused, It raises its crimson blade, It slashes at its enemy's throat, It swears death and revenge, It despises those upraised swords, It revolts against the merchant's ways, Of the blood that is needed, Of the Way of the Damned. 5. THE EDGE AT VIBRANZA'S FOO BOO Burns away in ashes: it is wrathful. Shards of the rotten, bitter heart, Shards from those covered in blood, Burn all that is poisonous, corrosive: It is a weapon, after all, Flamed heat-spewing beams that peashoot death, A roar set free, a force purged, It is a weapon as it is dreaded, With friction and heat, Shards of
