TASCAM LS-4202 is a portable and easy to use 2-track recorder with a built-in USB interface. This new digital recording device features a super-compact body with a built-in four-track recorder and the option to expand its functionality by connecting a USB interface. Users can record directly on the

device, or transfer the audio content onto a computer by using its PC interface (a USB cable is included). The LS-4202 also features a USB-MIDI interface, so users can record music by connecting it with their computers. For those who wish to record digitally, the device is preloaded with a host of TASCAM's proprietary programs. Users can record mono and stereo audio in the

320kbps and 64kbps MP3 format on 2 channels. In addition to that, it is capable of recording up to three channels, including LPCM, PCM, IMA4 and AIFF formats. Users can trim or compress audio recordings with the on-board features, plus they can edit, create and playback metadata from any host applications. It is also possible to import metadata from other devices by using a host

application such as iTunes. When connecting to a computer, the TASCAM LS-4202 has 16MB of internal memory, making it a great solution for storing audio content. LS-4202 will be available in early 2010 for \$199.99 (each). Affiliate information Affiliate program information We are excited to announce that our fully tested, verified and proven, all working

Here's another Free version for Classic Game Boy..Guru Nanak, the legendary Sikh mystic, was born in 1469, a unique personality in his time.The day of Guru Nanak's birth is celebrated on March 21 in the international Sikh-Diwali calendar. Guru Nanak was born into a family of gurus, the word guru for

"teacher" in Sanskrit. While Guru Nanak's teachings remain central to Sikhism, he is now considered a precursor of yoga, a term often used to describe spiritual exercise, spiritual gymnastics and meditation. Nanak is often considered the first yogi or Hindu mystic and arguably the greatest spiritual teacher of all time. He received the gift of mysticism from the

infinite God. Guru Nanak always kept it secret and was not regarded by others as a holy man. The overall look is very similar to VLC and it is the perfect companion for your GbStick.
