In a video obtained by The Arizona Republic, T.J. Dorn, the director of a specialty division of the Arizona Department of Child Safety, shows how to use a state-issued digital device to unlock the jaws of an adult female pit bull with all the force of a prison shiv. "Shivs, however, are real weapons," he tells the young woman, "but the jaw-controlling tool is not."

Dorn instructs the woman, who has opted not to identify herself, to slip
