The new multiplayer features really are not too annoying, at least not enough to warrant an auto-Cancel. Unless you have someone that can't get on your teammates also gets booted. Which we don't. They should be fine with no notice next match, and it's not like it's a custom game every time. We can therefore conclude: A: that suicide is no betrayal against God B: that suicide is a betrayal against the living C: and that suicide is a betrayal against the dead. Both 'A' and 'C' are false Suicide is therefore not a betrayal against God It is, however, a betrayal against the living No one has a right to commit suicide. Anyone who does so is guilty of the sin of suicide. Every life is sacred. Only God is entitled to take life. At the crux of the matter is this question: Is God a just being who commands that people who die an accidental death be buried (i.e., not allowed to be cremated) whilst those who commit suicide be allowed to be cremated?/* * (C) Copyright IBM Corporation 2004, 2005 * All Rights Reserved. * * Permission is hereby granted, free of charge, to any person obtaining a * copy of this software and associated documentation files (the "Software"), * to deal in the Software without restriction, including without limitation * the rights to use, copy, modify, merge, publish, distribute, sublicense, * and/or sell copies of the
