While traveling through the dungeons, you can experience a classic turn-based JRPG puzzle system.The clock is running, the princess must be saved, and the person who can do it must be you.Once upon a time, a cosmic disaster destroyed the balance in the universe. In the Black Tower Sanctuary, different people have been assigned to specific roles: Prince and Princess, a Priest, and a Summoner. They must work together to build a portal, which will restore the universe and save all living beings.However, not everyone will be happy to see the Black Tower Sanctuary fall back to reality. This strange and mysterious world contains the secrets of the Black Tower, that is designed to allow people to access any time and place in reality. When they became conscious beings, they were granted an eternity of life, but they were cursed with a kind of immortality. As a result of the original cosmic disaster, they are now trapped in the past and must repeat the same terrible destiny.Those who live in reality also have other problems, because what has been written does not satisfy some powerful ones. Those who are called "Chaos Gods
