Today, we got to see the full series of the eighth chapter of "Hunter x Hunter" for the first time in English, and it looks like series was just as solid as the previous ones. After watching this chapter, I've gotten a better understanding of what "Hunter x Hunter" can be good at. The first chapter still remains my favorite in the series, but the story of the series has matured and so have the characters. With all that in mind, the eighth chapter was a perfect choice to start this review off. The first thing you'll notice in the eighth chapter is that there are more action scenes in the anime than the
