At what level have you seen the program improve? -- A B+ I don't think anyone has come up and said: "I have to take this job or this job." I think most people that we talk to are very, very proud of what this program has become. I think our success has attracted more coaches to be considered to come here and that's evident by the increase in staff size. I think people are very proud of what we have done here in only three years. How about the quality of student-athletes? Is that a top-10 program? Coach: You tell me. They are well-prepared. They come to work every day and they are committed to their craft. We have the quality of athletes that we want in here. We have great athletes that are very committed to their craft and we need them to be successful. I don't think we have ever had one that has ever come in and said: "I'm not ready to play for this program because I
