single player various environments and secrets unleash mayhem on 3 different spectacular worlds: south america, ancient mesopotamia and medieval europe. discover over 130 secrets including over 15 brand new ones hidden in the fray. unique enemies and bosses fight with 27 nightmarish warriors in mental's army, including old favorites from the first encounter like beheaded kamikaze, syrian werebull and kler skeleton. go head to head against 5 new enemies and 3 new bosses. special weapons and power-ups wreak havoc with a huge arsenal of weapons including 3 new toys: the sniper rifle, flamethrower and chainsaw. use power-ups to additionally increase your fighting and agility skills. serious editor 3 create your levels and share them on steamworks! serious sam vr: the second encounter is a sequel to serious sam vr: the first encounter a frantic arcade action fps, featuring singleplayer and co-op campaign modes, various multiplayer modes, all presented in glorious vr with

---

croteam's new serious warp movement system. grab your vr headset and explore sam's chaotic world of extreme violence and endless fun. if the player beats the game on serious difficulty (next encounter lacks a mental difficulty ) and find all the secrets, then they will unlock cheats (god mode, infinite ammo, etc). worth mentioning is that if the player dies they can revive themselves by sacrificing 5000 points from their score (if they lack this amount, then they will get an instant game over). however, this will lower the end of the level score and prevent them from achieving a gold medal, therefore it's advised to beat the game without dying even once. the medals can't be achieved if playing on tourist or easy difficulty.

date, can be found when you click on the "view full article" button. SERIOUS BOSSES (up to 4 Players) New Enemies: Rokhlin, Teufel, Dronken, Kamikaze, werebull, the Floe, the Skeleton, the Dragon, the Half-Dragon and the Wolf. New Powerups: Hellspawn, the Giant, the Freeze, the Swarm, the Jelly, the Jellyball, the Sword, the Icehammer, the Chaoshammer, the Warlock. Even though the game was released in 2004, Serious Sam: Next Encounter has been upgraded with DirectX 9.0c and a few other things. The map is huge, though there are four different levels for each chapter. There are also a few tweaks to the controls such as the new shoulder button, ability to jump while running, and the camera's movement when jumping. Regardless of how far you progress in Serious Sam: Next Encounter, the game will eventually end, making the total length of the game between about 8 to 9 hours. The game features more than 70 levels, and the goal is to reach the location of the final boss which is named Achmed.

---

The player controls the Sam, who is the last remaining human being against the vampires. When you begin playing the game, you are free to choose any of the three different characters. Each character has a different weapon set and a different playstyle. The first character is very aggressive, and uses his machine gun to attack the enemy. The second character is more conservative, and can hold an enemy in place with his two pistols. The final character uses a crossbow and can simply shoot from afar, causing far less damage than the other two. 5ec8ef588b
