I have been reading a lot on my mind and I wish to speak out my mind about my favorite songs and movies from my life and what Mirchi can say about my influence. I would love to list down the movie or song that has touched my heart. I would love to share those moments and experiences with my readers.

So, I decided to make a list on the topic. Here goes my list. I have done my list on "Favorite Songs". Since, I have also seen the wishful eyes of my readers to get an old list of "Favorite Movies" from my side. I am not sure whether I can even remember them properly. Hence, I am going to give a list of those Favorite Songs and Favorite Movies from my side. I am also going to explain them. Telugu is the mother tongue of the residents of Telangana and Andhra Pradesh, two states that together form the Indian state of Andhra Pradesh. The predominantly spoken language is Telugu, but it has only about 10% of the total speakers of the Indian language; Andhra Pradesh has a population of 63.56 million and the others Telugu-speaking regions of Karnataka and Chhattisgarh together have a total population of 25 million, of which 17 million live in Karnataka, 2.5 million in Chhattisgarh and 4.5 million in Telangana.
