The Mummy Returns Game Free Download Full Version For Pc

the puzzles of the game are very simple, but they are very cleverly designed. most of them are based on a certain concept, for example, in one of the puzzles you have to find the words of a book to trigger a door to open. a good puzzle game should be challenging, but not frustrating. the puzzles in the mummy returns are just perfect for a puzzle game. the main story consists of six levels of platforming. in each level, rick o' connor must navigate through a maze of obstacles and enemies to reach the end. in the lost city, there are three levels where rick must explore various areas of the temple and find a weapon to defeat a mummy and survive until he reaches the exit. if rick is killed in the lost city, the player can return at any time to continue playing the game. the game has two difficulty levels. the first level is easy and has the easiest settings. the second level is harder and has the most difficult settings. there are also four characters you can play as. you can play as imhotep, imhotep 2, the mummy, and evelyn. imhotep 2 is the same as imhotep except imhotep 2 does more damage to the enemies. the mummy is similar to imhotep, except he has more health and theres a magic spell. evelyn is a dual wielding version of imhotep 2. scorpion imhotep (found in the southern area of the pyramid)- the head of imhotep's army. he has a low health and is a green mummy that wears a scorpion helmet. his attacks include shooting of spikes from his mouth and shooting of two pillars. in the first phase, he will fire a giant pillar from the ground at you. in the second phase, he will shoot two pillars from the ground. then when he is reduced to a mortal man on the third phase, you can use any weapon to kill him. defeating him makes you win the game and you get a closing cutscene from the movie. 5ec8ef588b
